Dated 20. 1. 1948

[Despatch Abstract]

Fixing F.R. Rule 56(b) the period of compulsory leave for increment in the case of certain officiating Govt. servants in the Radiology Department - Amendment issued.

GOVERNMENT OF MADRAS.
Abstract

FUNDAMENTAL RULES - Fundamental Rule 26(b) - Counting the period of compulsory leave for increment in the case of certain officiating Government servants in the Radiology Department - Amendment issued.

-X-X-X

O R D E R:

In exercise of the powers conferred by section 241(5) of the Government of India Act, 1935, His Excellency the Governor of Madras directs that the provisions of Fundamental Rule 26(b) be relaxed in favour of officiating Civil Surgeons, Sub-Assistant Surgeons and Mould and Radon Technician employed in the Radiology departments so that the period of compulsory leave taken by them under G.O.No.2375 P.H. dated 6-7-1939 may be counted towards their increments in their scales of pay.

2. The Surgeon-General is informed that the term "Radiographers" contained in the proviso to Fundamental Rule 26(b) as amended in G.O.no. 605 Finance dated 5-8-46 is a general one and that it includes Chief Radiographer, Assistant to Chief Radiographer, and Radiographers Grade 1 and 11 employed in the Radiology department.

(By order of His Excellency the Governor)

C.O.Coorey,
Joint Secretary to Government.

COPY OF NOTES:

From the S.G. No.58458 E1 dated 15-9-47.
T.M. dated 17-10-47.
No.58458 E1 dated 26-11-47.

Leave compulsory leave taken by the staff in Radiology department - counting for increment.

...

In accorance with the orders in G.O.No.2375 P.H. dated 6-7-39, every employee (including the menial staff) in the Radiology department is compelled to take leave for one month at least each year out of the leave at his credit to recoup his health. Under amendment issued to F.R. 26(b) in G.O.605 Fin. dated 5-8-46 officating Civil Assistant Surgeons, Radiographers, Radium Assistants (Physicists) and Dark Room Assistants are allowed to count the periods of compulsory leave taken by them for increment, The Surgeons General has now proposed that officiating Civil Surgeons, sub-Assistant Surgeons and Mould and Radon Technicians may also be allowed the concession to count their compulsory leave period for increments. He had added that Mould and Radon Technicians are also exposed to same amount of risk as that of Civil Assistant Surgeons and Radiographers. In the circumstances the Surgeon-General's proposal may be accepted and the rules amended suitably.

The officiating Radiographers have been allowed to count their periods of compulsory leave for purpose of increment in G.O.No.605 Fin. dated 5.8.46. The Surgeon-General has now reported that Chief Radiographer, Assistant to Chief Radiographer, and Radiographer, Grades I and II are employed in the Radiology department and has requested that the term "Radiographers" used in the above G.O. may be made clear so as to include above categories of Radiographers. The term "Radiographers" used in the G.O. is a general one and the intention is that all Radiographers should get the concession. It does not seem necessary to amend the rules. An executive instruction seems sufficient. The remarks of Finance department may be invited U.O.
